PROFESSIONAL SYSTEM ACCOUNTANTS CONSULTING SERVICES

Accounting in an Electronic Environments

Our Ref: PSACS/26/IW/P/03

Date: 03 February 2026

Dear Sir/Ma,

INVITATION TO THE 2026 INTERNATIONAL PUBLIC SECTOR LEADERSHIP, MANAGEMENT & FINANCE TRAINING PROGRAMMES

On behalf of Professional System Accountants Consulting Services (PSACS), we humbly and formally invite you and other officials of your organisation and its parastatals to participate in our **2026 International Public Sector Leadership, Management & Finance Training and Workshop Series**. The programmes will be hosted across selected global destinations including Ghana, Rwanda (Kigali), South Africa, Kenya, United Arab Emirates (Dubai), and Canada.

The **2026 PSACS International Programme Series** has been strategically designed to strengthen public sector leadership capacity in governance effectiveness, fiscal discipline, executive decision-making, accountability, and institutional performance, particularly within today's **VUCA (Volatile, Uncertain, Complex and Ambiguous)** operating environment.

The programmes are **policy-driven, practical, and impact-focused**, delivered by seasoned international facilitators through expert lectures, applied workshops, case studies, and structured peer-to-peer exchange.

CORE THEMATIC AREAS

- Strategic Leadership and Governance in the Public Sector
- Public Financial Management, Budgeting and IPSAS Implementation
- Executive Leadership for Ministers, Chief Executives and Administrators
- Digital Governance, Public Administration and I.T. Transformation
- Leadership and Decision-Making in a VUCA Environment
- Forensic Accounting, Audit and Technology-Driven Oversight

TARGET PARTICIPANTS

Participation is recommended for:

- Honourable Ministers and Chairmen
- Honourable Commissioners
- Permanent Secretaries
- Chief Executive Officers and Administrators
- Directors, Managers and Team Leaders
- Vice Chancellors, Rectors, Provosts and Registrars
- Bursars, Accountants and Auditors
- Security Personnel
- Members of ICAN, ANAN and CITN
